Summer 2010

During the months of June, July and August we will be returning to our series of Summer Open Garden events.

Visiting fellow members to view their koi and to catch up on any changes that may have been made to the pond and/or filter system.

This is a great way to get together as a club during the summer months, to spend a few hours in the garden with club members admiring the koi and ponds and enjoying homemade cakes with a refreshing cup of tea.

Please let me know if you would like to open up for one of the club's summer Open Garden meetings. *Pat*
